No. CIV-16-931-C

ORDER ADOPTING REPORT AND RECOMMENDATION

This action for habeas corpus relief brought by a prisoner, proceeding pro se, was referred to United States Magistrate Judge Bernard M. Jones, consistent with the provisions of 28 U.S.C. § 636(b)(1)(B). Judge Jones entered a Report and Recommendation on February 28, 2018, to which Petitioner has timely objected. The Court therefore considers the matter de novo.

The facts and law are accurately set out in Judge Jones's Report and Recommendation and there is no purpose to be served in repeating them yet again. In his objection, Petitioner merely restates the conclusions and legal arguments originally asserted, and raises no issue not fully and accurately addressed and rejected by the Magistrate Judge.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge (Dkt. No. 24), and for the reasons announced therein, denies this petition for habeas corpus relief. A judgment will enter accordingly.

IT IS SO ORDERED this 22nd day of March, 2018.

ROBIN J. CAUTHRON
United States District Judge
